

Outreach Education Subcommittee Meeting Minutes:

Meeting date: 2/6/20 from 1400-1430

Members present: Jessica Pastick, Maria Flor, Todd Dorn, Jessica Schleck.

- **Pre-General Meeting Trauma Program Management Luncheon** informally discussing advice/tips from one program leader to another and advice on how to prepare for and smoothly get through a designation visit. Pizza Ranch is tentatively catering this lunch SMRTAC members will need to RSVP for. 1200-1300 on Feb 11th
- **Pediatric Trauma Considerations** being organized as a one-hour lecture for one or two facilities in 2020- I've been emailing Jill the NP from Mayo that is the peds chair who sounds willing to help provide this
- **Survey Monkey results/discussion** about what the region wants and plans for this coming year.

2/3 state they regularly come to smrtac

Methods: Most preferred was at their own facility/community, second was in Owatonna, 3rd was one large annual conference, 4th was online, and lastly was on paper.

What education topics they want:

Pediatrics

Hemorrhagic shock, MTP, new blood product recommendations, ATLS guideline changes, head bleeds on anticoagulation -trauma surgeon.

Procedures including: Pediatric and US guided IVs, chest tubes, Chest thoracotomy, Bedside Ultrasound

BLS training including c-spine clearance, long board vs scoop stretcher, fall assessments

Todd Dorn -Don Hogge and Mark Griffith – regional meetings? Going to monthly meetings...

What we can do to make things better- Record presentations better, maybe demonstrate skills. Offer education on-site at times that work best for them. Design training just for BLS providers.

Who would be able/willing to design training for BLS crews?

Hemorrhage management including those on anticoagulation presentation to include ATLS guidelines?

Pediatric Talk is being provided by Mayo- Klinker and Terri Elsbernd, I will ask them their willingness to provide more than one, otherwise we will try to get a high-quality recording.

Next meeting – PI committee? Talk about interfacility transfer issues- Dr Terri Elsberg, Dr. Castle.

May 6th - TZD conference- Print guidelines, Ask if anyone is willing to partner at a booth...otherwise we will just donate tourniquets on SMRTACs behalf. -Rochester, register as a participant and exhibit- request that Meghan be next to our booth-mayo one

- **Open Forum**
 1. **Creative, interactive, team based challenges, ways to reach the unreachable... brainstorming**
- **Please email me at jpastick@winonahealth.org with and agenda items you wish to add/cover**

Meeting adjourned at 1425.

Jessica Pastick
