Maria as completed flier invite & Gwen has emailed out to DL

Meghan will have objectives/CEU cards available

- **Red/Yellow Trauma criteria**

This group discussed proposed education plans to share at general SMRTAC meeting

There already is a completed ppt made by Mayo Clinic ED educator that we may have access too. Make changes that reflect SMRTAC. Present ppt at EMS Directors meeting and push out to general SMRTAC DL to reach hospitals

Maria has quarterly SC MN trauma meeting scheduled for September and will plan on presenting

Suggest TTA print outs by insta-prints

- **MCI educational event prior to Oct 11 general SMRTAC meeting**

Pediatric MCI event will not be ready for Sept SMRTAC education. Need to complete MDH webinars throughout the state

We will continue with plans for a MCI education. This will be a table top event with 10 penetrating trauma patients in Owatonna

Will involve the assistance of Vicki and Eric from our Disaster committee as well as members from our EMS committee.

Jay and Sandy will assist. Terri to be adhoc

Jay has suggested involvement of newly assigned SW MN MCHS MCI representative/Jackie Ness. He will reach out to her to join in on plans.

Meghan will email notification to Disaster/EMS committee

Focus will be on triage and transport

Will announce plan at upcoming SMRTAC meeting and ask for members who may want to assist with this project

- **Open Forum**
